

SUPREME COURT LEGAL SERVICES COMMITTEE

Dated: 1st May, 2018

C I R C U L A R

It has been observed that panel lawyers are invariably submitting consolidated bills for payment of Honorarium and Litigation Expenses collectively.

However, it has been pointed out by the Auditors that the bills/claim should be submitted separately for Honorarium and Litigation Expenses otherwise TDS (tax deducted at source) ought to be deducted from the entire amount.

Therefore, in order to avoid TDS upon the entire amount, all the panel advocates are hereby requested to submit separate claims for payment of Honorarium and the Litigation Expenses clearly depicting the amount claimed under the two separate heads.
